We are in the home stretch (just 6 weeks till AfterGrad!). We have reached our fundraising goal and have just one more fundraiser coming out on Friday (corsages & boutonnieres). Now our focus will be solely on final preparations for the party. We are fine tuning the entertainment and decorations and will be asking for parents to donate food items and sign up to volunteer in the special Grad Newsletter that is coming out this Friday. We will meet every week in the last 4

weeks leading up to the event to cover off all details but there will be plenty of communication between meetings as well for this last period. Looking forward to a frenzy of activity right up until the big day!

Next PAC meeting to be determined by the PAC in September 2025.

Move to adjourn made by David; seconded by Christine B. CARRIED
